## EDUCATION:

**The University of Scranton, Bachelor of Science in Finance, Graduation May 2020** Scranton, PA

**Major: Finance – GPA: 3.46/4.0**

**Certifications- Bloomberg (equities, fixed income, foreign exchange)**

## RELEVANT COURSEWORK:

**Forex Trading Seminar taught by Leslie McNew-** Went over how to trade with the trend as well as the basics of analyzing data for algorithmic modeling.

## UNIVERSITY EXPERIENCE:

**Business Club, Member,** (August 2016 - Present)

Member of the club, experiential learning through seminars, networking events, and on-site visits such as the Hudson's Bay Company distribution center.

## INTERNSHIP EXPERIENCE:

**MMspire Trading Company, Trader,** (June 2017 - Present) Chicago, IL

Primary responsibility to spot trade CAD, EUR and GBP on a daily basis with tight stops/limits using 5-minute trends/candlesticks with initial balance account of \$1,000 real money. Current P/L = \$-14.93, geometrically linked return = -1.49%. Built and adapted trading plan, maintained a daily trading binder, developed and implemented excel spreadsheet for profit/loss records and CFA geometrically linked returns. All trading records posted daily on website: cumulative P/L, returns and P/L by strategy.

Secondary responsibility to develop market intelligence models in excel and professional presentations: historical volatility trend model, implied volatility model using GOAL SEEK, historical value at risk model, three factor parametric model for currencies and basic correlation trade model (EUR/GBP). Cross team model validation for audit purposes. Sustained and improved 'Networking Thursdays': practiced networking and client presentation skills on more than ten companies using a mini pitch technique and implementing good professional etiquette skills. Created a template for research that the team used to get the most out of the networking. Coordinated networking events to make sure everything went according to plan.

## WORK EXPERIENCE:

**Camp Galaxy Day Camp, Head Counselor,** (June 2013 – August 2016) Eastchester, NY

Promoted from regular counselor to manage 6 other counselors as well as 20 children age 12.

Communicated with other counselors to ensure both safety and fun for the campers as well as used communication and problem-solving skills to assess children's needs and provide aid.

## TECHNOLOGY SKILLS:

Proficient in programs such as Microsoft Word, Excel, and PowerPoint, Forex trading, conversational Spanish
